

COMMISSIONER KENNEDY PROPOSED AMENDMENT NO. 5

TIME/DATE PREPARED: September 18, 2020

COMPANY: Arizona Pubic Service Company

AGENDA ITEM NO. 45

DOCKET NO(S). E-01345A-19-0088

OPEN MEETING DATE: September 22, 2020

Purpose: To require APS to make good on its corporate responsibility to provide the Navajo Nation, the Hopi Tribe, and their people with funding and assistance for a just and equitable transition to post-coal economies by filing with the Commission in no more than 60 days a proposal to implement a Tribal Energy Efficiency Program.

Page 35, Line 16, INSERT NEW ORDERING PARAGRAPHS:

IT IS FURTHER ORDERED that as part of its corporate obligations to support a just and equitable transition of communities impacted by early power plant closure, Arizona Public Service Company shall within sixty (60) days develop and file for the Commission's review and approval, a Tribal Energy Efficiency Program proposal and budget to implement energy efficiency projects with Navajo and Hopi tribal communities impacted by the closure of coal-fired power plants that Arizona Public Service Company owns or operates, including Navajo Generating Station, Four Corners Power Plant, and Cholla Power Plant.

IT IS FURTHER ORDERED that the Tribal Energy Efficiency Program shall be seed-funded with at least \$457,000 annually, the amount equivalent to the difference between the 2020 DSM Plan budget originally proposed by Arizona Public Service Company and the budget recommended for approval by Commission Staff, and that cost-effectiveness requirements for the Program shall be waived.
